POLISH AUTOMOBILE AND MOTORCYCLE FEDERATION

Polish Automobile and Motorcycle Federation is a union of associations bringing together members – fans of motorisation in several hundred motorcar clubs and sports clubs. The main goal of the Federation is to develop mass and extreme motor sports including car, motorcycle, speedway and karting sport.

We also raise awareness concerning road safety by organising youth contests and participating in social campaigns. We take part in road safety conferences and symposiums. We're experts in this field, we are involved in legislative work in parliamentary commissions.
